“ *Ann, we are sending hugs and condolences to you and your family for the loss of your Mother. You took such great care of her as she needed more and more assistance with tasks of daily living. May you all be comforted with the many memories you have of your Mom in healthier days. She will live on in all of you. May God bless and comfort you all.*

“ Kevin and I want you all to know our heart breaks for you at this time. We are sorry we are not there with you all but know our prayers are sincere and our thoughts will always be with you all in this time of need. Mrs. Glab was a special person and to live such a long life means she had a lot to do before she left to be in Heaven with Stanley and all of God's angels. Know she will always be in your heart and where ever that wonderful memory takes you. Stella is at peace and that should help lighten your load. Our prayers are with you all and know if you needs us we are here to listen or to help. Kevin and Judy Prost

“ Anna, John, and family, my deepest condolences. Stella will always be remembered as a brave and courageous woman. I know firsthand how difficult it is to emigrate from Poland, especially during the late 1950's. She had a caring heart and a strong soul. My prayers are with you.

“ Ann and John I'm so sorry for the loss of your Mother, I remember when I was a teenager and I would come to your house and your Mom always had something to eat for me, she make me feel welcome always. A beautiful soul she had! May she rest in the loving arms of God! God watch over you and your families during this terrible time! Barbara Waters
