“ CELEBRATING THE LIFE OF STEPHANIE REGORRAH-

Stephanie was 97 yrs young and we will miss her laughter and kind words. She was a fun energetic woman who knew heartbreak and still kept marching on. She loved her family and friends and I know everyone has fond memories of her.

She liked talking of her childhood 'going to the movies with her Mother, being spoiled by her brothers and shopping trips with her sister'.

And she adored her children , grandchildren and dear husband whom she stood by through a long loving marriage .

Some people come into our lives making an impact on us just by being themselves. And her special spirit has made a difference in all our lives.

We will miss hearing her sweet voice but will carry on with our own journey knowing that she is reunited with her departed loved ones and our Lord God just as was promised.

Sleep well in the long goodnight dear Stephanie until we are all united....

And now I want to finish with her signature end to a typical phone conversation.

Love you, love you, love you.... Dobranoc (pronounced? doh -Brah -nots which is Polish for goodnight)

“ Aunt Stephe was my Mother's baby sister. We were always close to her family and did many things together while growing up. Mom and Aunt Stephe enjoyed lots of good times together. They would both take the bus, Mom from Wyandotte and Aunt Stephanie from Delray. They would meet on the same bus to go to Hudsons in Detroit and shop,shop,shop.

My Brother Ed was about 4 years younger than her and always called her "Sis". Ed and his family were close to her as well, and they enjoyed many a dinner and activity with them.

She was always happy to have you, and her smile never left her face throughout your visit. She was sincerely happy to be in your company, and that's why it was so hard for her to say her final goodbye, and that's why we were all able to enjoy her for all these years. Even if it was only a phone conversation, it helped us share a link to the past, and filled a void.

As for me, she was the last of my family that came before me, and I will always cherish her. "Good Bye" was always hard for her to say, and when we visited her she would always greet you with a hug and kiss, and walk you to the door when it was time to leave, and wave and blow you a kiss as you drove away. Phone goodbyes were also hard for her as well. We would sometimes go into a conversation again just to keep from saying it. Then the good-bye was "Goodbye, Goodbye, Love you, Love You, Love You!"

We have to say our final Good Bye to Dearest Aunt Stephanie, "So Dear Aunt Stephanie GOOD BYE, GOOD BYE, GOOD BYE, LOVE YOU, LOVE YOU, LOVE YOU!", until we meet again.

Mickey

P.S.

We wish to pay our condolences to Jeanne and Jack, and to Aunt Steph's grandchildren and great-grandchildren.

And thank you Jack for all you have done for her, by being there, and easing her burdens through the years.

“ *She always had a sweet smile and a twinkle in her eye. I love when I went to visit her and we looked over all her old photos. She shared many memories of growing up in old Detroit.* ”

“ *Sorry for your loss. My Mother was a friend of your Mother's from a long time ago. I remember the name and Mom and Dad would send cards to your parents. My Mother was Florence (Figura) Wyrobek and was from Delray. Sadly my Mother passed away on January 18 of this year--she was 94. We are so lucky to have had our Mothers for so long.* ”
