“ Suzy was a sweet and wonderful person. I remember when we were young going to the Armenian picnic and playing together and drinking endless cans of pop. One time she babysat for my brother and I, we had a lot of fun watching Starsky and Hutch. I'll always remember that. She will be missed!

“ Susan was very fond and sweet person that I know... We grew up together at school... She will never be forgotten....Right now she is at happy place to reunite her beloved son and Dad. She is now comforting and in peace from all behind. She was a great and humble person. Will miss you. She is in GOD's hand. ILY Susan
