“ John and Teresa lived across the street from us when we (Kelli and I) first moved to Lincoln Park, on Myron steet, to raise our family in 1997. John and Teresa were always so thoughtful of us and looked out for us, especially John. He saw my every movement. This was not a bad thing at all. It was very comforting that he knew what shift I was on while I worked swing shift at Great Lakes Steel..overlooking my family while I was out. Teresa was so kind and had a gentle spirit that made borrowing milk on a Saturday morning special. A good neighbor. Someone you could trust, old school honesty, hard working, loving and kind, feared the Lord. The kind of people that felt like family. I wish we would have stayed in more contact over the years after we moved. The chapter they played in our lives will always be remembered. May God bless them with rest in Him. And may he bless their children with the legacy they have left. With gratitude, the LaJeunesse Family.

Thank you for the beautiful tribute to my Mom. My parents were fond of you and your family. They especially loved having the little ones around! Sincerely, Catherine
