“ I am very fortunate to have had the opportunity to be a close friend to such a special and personable individual who I will never forget. Junior High to High School and beyond as he progressed in life with marriage and children. So many memories that are embedded with fun and good times. He past on to his children the Cullen legacy which will flourish with joy, growth, love and his intent of them moving on with their life's.

My deepest condolences to the entire Cullen Family. I lost my oldest sister to ovarian cancer, and I still greave over her not being her, but know that she is in a better place.

I hope that when I pass, I will be embraced by him and all others that I have been engaged with in my life.

Will miss you Tim as I age.

“ I miss Tim so much, looked forward to his Facebook Posts every day. Over the years connecting on Facebook, felt like family. He sure loved those kids and his kitty and love having lunch with his Brother Ray. Never let any grass grow under his feet. One of the kindest people I have ever known. I am so happy Tim was here to know that Trump won the election! We all love you Tim and will miss you everyday. And God will look over your Children, be rest assured.

“ *Heaven must have needed a very special angel. Spread your wings and fly high Tim!!!! You live on in the hearts and souls of your 3 children. Allison, Lindsey and Tim... your dad was so proud of all 3 of you and what you have become. Never have I heard someone brag so much about their children. Your dad will forever be watching over you... just look up to the heavens and speak to him..... he will be listening. My heart goes out to the 3 of you. Tim... you will be missed by so many people. RIP my friend...*
