“ I will always remember her laugh and her chuckle afterwards. I have so many great memories of Aunty Vera one of my favorites was when I stayed in Detroit one summer and I told her I would like to go to drive in movie which I had never been to one before. She said her and her friend Rose would take me that Friday just when Sandra came in and said we should go to the cinema and see the latest Beatles movie A Hard Days Night. Auntie Vera said well you have a choice a drive in movie or a Hard Days Night I guess you know what won out, Sandra and I went to see the Beatles movie and I can still remember not being able to hear it because the girls were screaming so loud. Still it was a fun experience and I think Aunty Vera was relieved she didn't have to go to the drive in. God bless you Aunty Vera I will miss you dearly and will always have fond memories of you and your family.
