“ My memory of Virgil, From the first day i met Virgil we had a wonderful friendship. I was his mail carrier for a while, I got to know him quite well, I looked forward to our conversations daily , he was such a kind man , and loved to work on his flowers or just in the yard. There was times I would have to tell him please go inside Virgil its way to hot out here for you .but he would say just a little while longer, ill be OK Boy was he STUBBORN he was set in his ways as alot of older people are!! You can't blame them. he reminded me so much of my dad. He was such a proud man and didn't want any help. I'm so very sorry I didn't get to say goodbye to a very dear friend. I went by his house a couple of times recently and didn't get a answer I just had a bad feeling. And then a friend of mine texted me and seen his name at Czopek so i went right there after work. And they told me the family only had a short sevice earlier that day. I just started to cry, I felt so bad that i didn;t say good bye to You. I will miss our conversations and our laughs together. You. will always be in my heart Virgil. May you be rest in peace my very dear friend. The world has lost a very fine man.
