“ *Marcia and David we camped with your mom and dad at Camper's Cove so we knew her for a very long time. She was such a lovely person and she spent so much time with our families at the campground. So sorry we didn't know about her death or her Memorial Service which we would have attended. Our prayers are with you and your family. Vince and Marian Sutherland*

“ *I only knew Virginia for a short time compared to her 92 years, but I learned she had a love for life and she cherished past memories. She always welcomed me to her home and I will truly miss sharing our Eucharistic prayer together.*
