“ Wanda came to work for our father, Jerry Przybylski, with the intention of working a few months to pay off a color TV. She ended up staying for many years and was a much loved, treasured member of the Jerry's Market family. My brothers and sisters all remember Wanda with warmth and affection. She was always smiling, upbeat and had a great sense of humor. Our father was heartbroken at hearing the news of Wanda's passing. He remarked that she was a hard worker, kind and he appreciated her loyalty to him and the store. When my siblings and I think of our growing up years and our own employment at Jerry's Market, we think of Wanda. Along with a few others, Wanda will always have legendary status with us. We send our heartfelt thoughts and sincerest sympathy to her family at this difficult time.
