Bill, I will never forget your unique sense of humor. You appeared to have a very tough exterior but it was just a protection for your kind, generous, compassionate, and loving interior. I will miss you dearly and will always remember your Bull's Blood and listening to you tell tales of you fond trips to your homeland, Hungry! I know you are enjoying a large glass of Bull's Blood and enjoying some goulash!! I love you and will miss you. Thank you for being a wonderful person to me!
